

Can I Change a Flight I Already Booked on Frontier Airlines?

(Updated for 2026 Travel Policies)

Yes — you **can change a flight you've already booked with Frontier Airlines**, but how much it costs and what flexibility you have depends on your **fare type, timing, and ticket rules**. Frontier allows modifications to existing bookings, but changes usually involve a **change fee, fare difference, and possibly other charges** depending on when you make the adjustment. For help reviewing your specific booking, fees, or available alternatives, call [[📞 +1-877-622-0707]] for live assistance.

What It Means to “Change” a Frontier Flight

When you change a booked flight with Frontier, you could be modifying one or more of the following:

- ✓ **Travel dates**
- ✓ **Flight times**
- ✓ **Departure or arrival cities (on certain routes)**
- ✓ **Fare bundles**

Changes **do not** typically allow transferring your ticket to another person — the name on the booking must match the traveler's ID. If you need help with name corrections, call [[📞 +1-877-622-0707]].

Step-by-Step: How to Change a Booked Frontier Flight

1. Log Into “Manage Trips” Online

- Visit the Frontier website
- Enter your reservation code and last name
- View your current flight details

2. Select the Flight You Want to Change

- Click “Change Flight”
- Enter the new date, time, or flight you prefer

3. Review Available Options & Fees

Frontier will show possible flights and the pricing differences. You will typically see:

- ✓ The **fare difference** between your original flight and the new one
- ✓ Any **change fees** (if applicable)
- ✓ Taxes and carrier charges

4. Confirm Your Change

- Accept the total cost and finalize the update
- Frontier will verify and send a new confirmation email

If you'd rather have a representative walk you through each step or explain all charges before you finalize the change, call [[📞 +1-877-622-0707]].

Fees and Fare Differences

When changing a booked flight with Frontier, you're usually responsible for:

1. Change Fee

- Applies based on your fare type and timing
- Some fare bundles include **reduced or waived change fees**
- Basic fare types often have higher change charges

2. Fare Difference

- If the new flight costs more than your original fare, you pay the difference
- If the new flight costs less, Frontier may issue **travel credit** (not always a refund)

3. Taxes and Other Charges

- Standard taxes and airport fees still apply

For an exact cost estimate of a date or flight change, call [[📞 +1-877-622-0707]] — agents can walk you through every charge before you commit.

Same-Day Changes

Frontier may offer **same-day change options** if you need to adjust your flight on the day of travel:

- ✓ May have reduced or no change fee
- ✓ Seats must be available on the new flight
- ✓ You may still owe the fare difference

If you're already at the airport and considering switching flights, call [[📞 +1-877-622-0707]] to check availability and pricing before you make the change.

When Change Fees Are Waived

Frontier will **waive change fees** in certain situations:

Within 24 Hours of Booking

If you cancel or change your flight within 24 hours of purchase — and the booking was made at least 7 days before departure — no change fee applies. You may still owe the fare difference. To confirm your eligibility, call [[ +1-877-622-0707]].

→ Schedule Changes by Frontier

If Frontier makes a significant schedule change or cancels your flight, they typically allow you to change without a fee.

To see if your booking qualifies, call [[ +1-877-622-0707]].

How Timing Affects Your Ability to Change

The earlier you make a change:

- ✓ The more options you'll likely have
- ✓ The lower the fare differences tend to be
- ✓ The better chance you have of avoiding higher fees

If your flight is close to departure, change options may still be available, but the cost often goes up. Calling [[ +1-877-622-0707]] early improves your chances of finding a reasonable alternative.

What Happens If You Miss Your Flight

If you don't show up for your Frontier flight and don't notify the airline ahead of time:

- ✗ You may be considered a **no-show**
- ✗ Your remaining itinerary could be canceled
- ✗ You may have to purchase a new ticket

If you anticipate missing your flight, call [[ +1-877-622-0707]] before departure — this may preserve options for rescheduling or changing your booking.

Travel Insurance and Changes

Travel insurance may help reimburse:

- ✓ Change fees
- ✓ Fare differences (in certain circumstances)
- ✓ Costs related to emergency travel disruptions

Policy coverage varies by provider and plan. To discuss insurance options relating to your Frontier flight change, call [[ +1-877-622-0707]].
